Creating Automation Awareness...

A series of events and News letters have been the main vehicle for creating awareness. Going forward more initiatives are planned

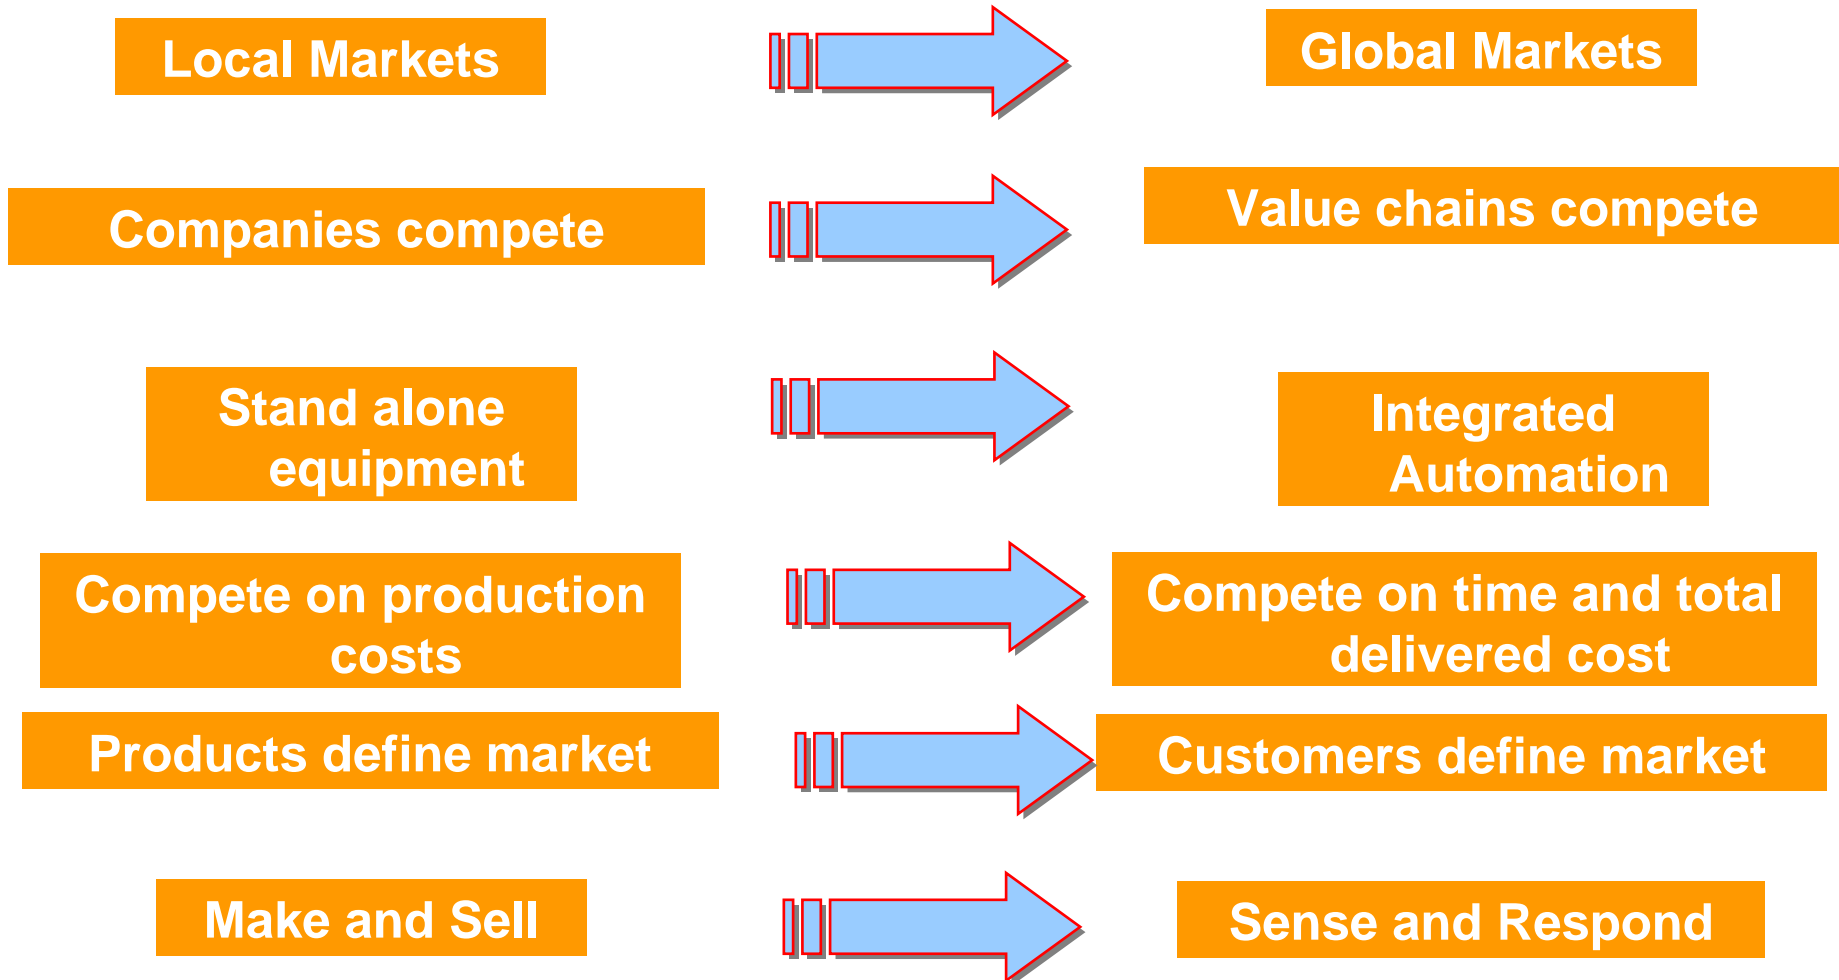

7th March 2008, Hyderabad

Why are we meeting?

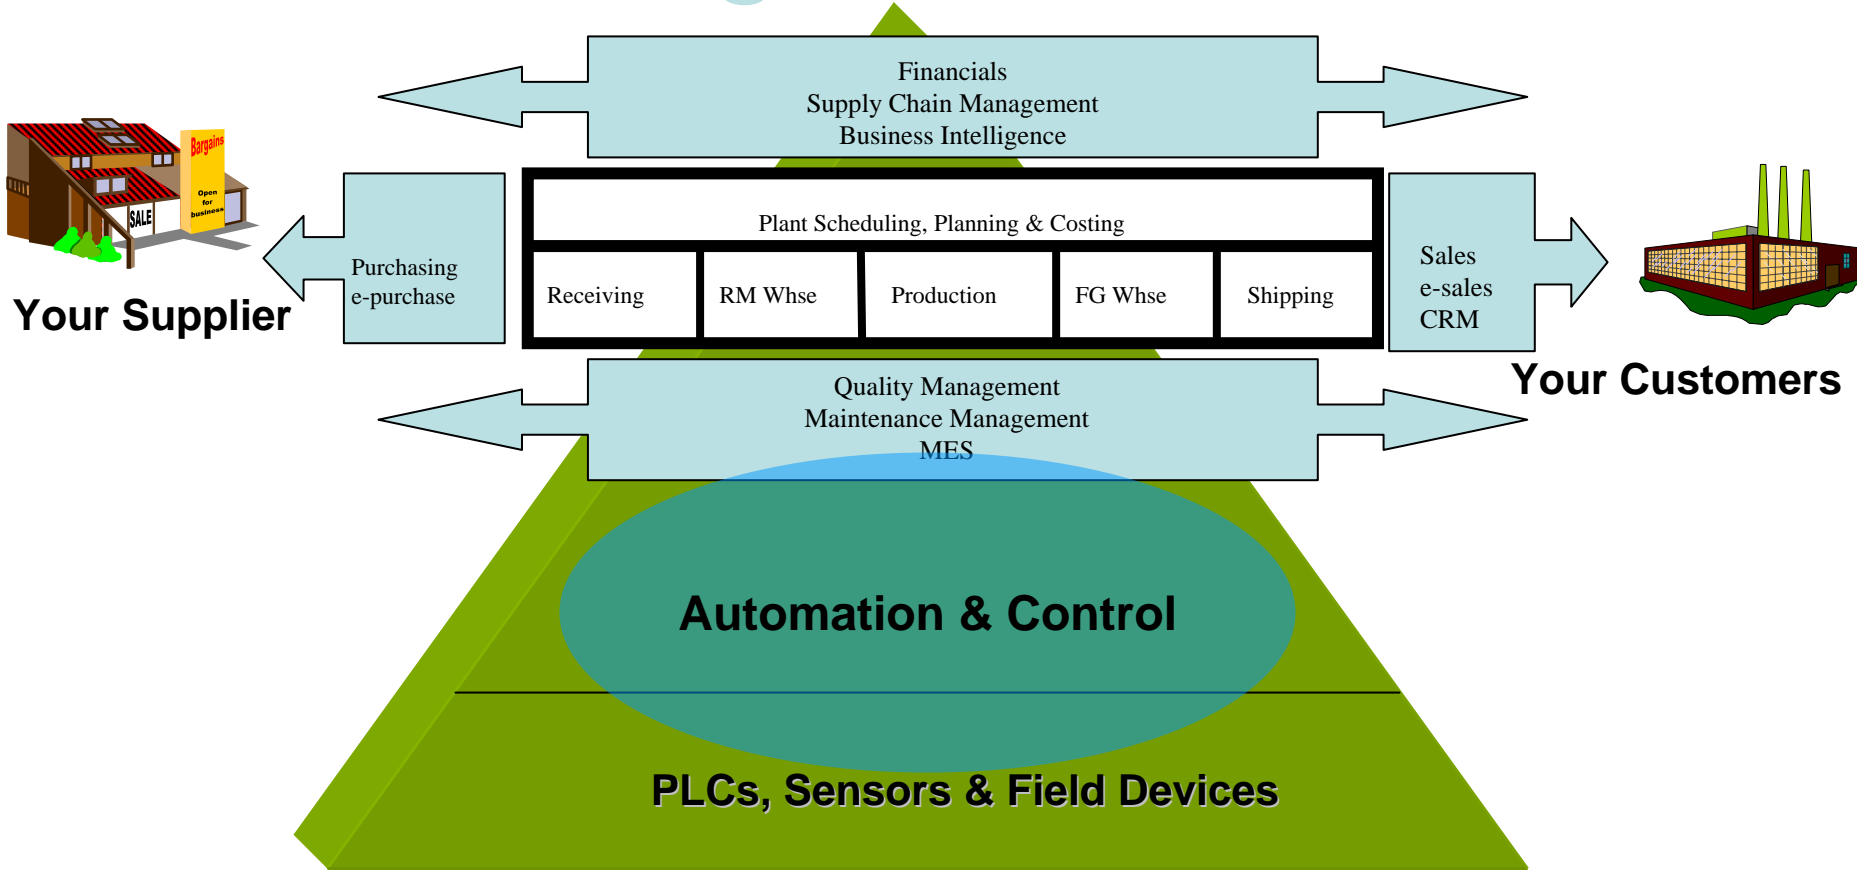

- New business environment
- Growing global competition
- Improve ROI or perish
- New markets, new alliances
- Regulatory compliances

New Paradigm for 21st Century Manufacturing

Total End-to-End Integration

Manufacturing

'India Automation 2009'
